

## Future Courses

### • Anger Management for Parents

Does your child lose their temper?  
Do you sometimes struggle to help them control themselves?

This free course aims to help you to recognise the first signs of anger, learn calming strategies & de-escalate conflict situations

Raising your children will be one of the most vital & important tasks you will ever undertake...  
... and doesn't it push you to your limits?

6 FREE Sessions will help you to

- improve your relationships
- Develop new skills & confidence
- Understand behaviour
- Manage change
- Communicate effectively

All arranged as required.  
Please contact the Families Matter office to register your interest on  
023 8020 7623  
office.fm.hurc@gmail.com

parents of children with additional  
needs**

Every Friday 10.30am -12.00 noon  
During term-time

Contact Bev Hall on 023 8084 0191

**On the Right Track**

(In partnership with THE HANDY TRUST)  
A home, school, community project  
supporting children and their families  
through the transition from  
Primary to Secondary education.

Schools identify children in year 6 who they feel  
may find the school transition challenging  
(for a number of reasons.)

Building the child's confidence and  
self-esteem by using a variety of resources, the  
child is given an opportunity to talk over any  
anxieties they may have about starting  
secondary school and extra visits to the  
secondary school are arranged during the  
summer term. The programme has been  
running successfully for over ten years and has  
enabled many children to transition smoothly.
