

FAMILIES MATTER FUND-RAISING

TESCO

Our community project Families Matter will be featuring in local Tesco stores' blue token scheme in July and August this year. This has the potential to significantly boost our finances, so please consider posting the tokens for us and spread the word with anyone else who might like to do the same.

SAINSBURY

Families Matter has been chosen as Charity of the Year by Sainsbury's in Blackfield.

Our collecting tins will be put on their tills and we will have a stand outside the store in August so that we can carry out more fundraising and share the work that Families Matter does with their customers.
